WELCOME
We welcomed Rina Christiansen and Gilda Daniels in weeks 8 and 9 for their practicum training as Education Assistants. Both Rina and Gilda are here from North Metropolitan TAFE. We hope you enjoyed your stay with us.

NAIDOC WEEK—July
Garden tile creations
The students garden tiles are now completed! The students created and decorated clay tiles in Aboriginal designs that represent the style of art particular to the indigenous people of our local area. The tiles take pride of place around our bush tucker garden for decoration.

FROM THE PRINCIPAL
Our busy term is drawing to a close and we have participated in many celebrations and happy events.

We look forward to Term Four to consolidate our learning and prepare for the new year.

On behalf of the staff we hope you have a wonderful, safe and relaxing holiday.

Students return to school on Tuesday, October 11.
Science Week—15 Aug

During Science Week the Primary School hosted an Incursion from ‘Animal Ark’. Animal Ark offer unique hands-on sessions with tame and friendly reptiles, amphibians and mini beasts. Animals that visited included Snowflake the blue-tongued lizard, Jet the black-headed python, Freddy the green tree frog and Twiggy the stick insect.

Book Week—22 Aug

‘Book Week’ was celebrated in Western Australia in the last week of August. Every day of Book Week we read a range of interesting books in class. The students enjoy narratives and repetitive rhymes depicted in Big Books and picture books.

During the Book Week we had a special event where a guest speaker from Victoria Park Library visited us at the Centre. She read some of this year’s books short listed for ‘2016 Children’s Book Awards’. The books presented were, My Dog Bigsy, Ollie and the Wind and Perfect.

It was a wonderful experience to have a guest visiting the class and sharing reading encounters with the students.

At the end of Book Week, the winners were announced. The Book of the Year: Early Childhood 2016 Honours Award was awarded to the book called Perfect written by Danny Parkes and illustrated by Freya Blackwood.

Faction Athletics Carnival—2 Sep

Our students were all encouraged to be involved in the main school faction carnival. We sat in an area that enabled our students the opportunity to socialise and be involved with all the highlights and action of the carnival. We were fortunate to be near the fin-
Dance portrayed a story of a bird moving around, in flight, preening itself and feeding.

It was so nice for our students to view a traditional Balinese dance. Rina wore a traditional costume for the dance, which created authenticity and allowed us all to feel like we were in Bali for the moment. Rina said she often used to perform this dance and similar dances in Bali and her daughter also shares her love for dancing.

Balinese Dance — 13 Sep

We recently had a Practicum student named Rina attending our centre who offered to share her talent of dancing. She performed a traditional Balinese dance during our music session. The dance portrayed a story of a bird moving around, in flight, preening itself and feeding.

Sun Protection and Vitamin D
GETTING THE BALANCE RIGHT

WHEN UV IS:

3 OR ABOVE

- Sun protection is a priority.
- Most people get enough Vitamin D through a few minutes of typical day-to-day activity.
- Remember to slip, slop, slap, seek and slide.

BELOW 3

- Sun protection is not recommended.
- Go outdoors in the middle of the day to support Vitamin D production.
- Being physically active – e.g. gardening or going for a walk will help.

Check local UV levels by downloading our free mobile app at cancer.org.au/SunSmartApp
Totally decadent and naughty...

**Red Velvet Cake**

We normally try to share recipes that are yummy and nutritious, and with the kids firmly in mind. This time however, while the kids will still enjoy this one, we really do want to treat the parents’ tastebuds! This is truly a decadent indulgence! Tried & tested here at EVP ESC!

### METHOD

**Red Velvet Cake:**

1. Preheat over to 160 C. Grease two 9” cake pans and line with baking paper.

2. In a bowl, whisk together flour, baking powder, bicarb soda, cocoa powder and salt.

3. In a separate bowl, combine sugar and vegetable oil. Mix in eggs, buttermilk, vanilla and food colouring (as much desired for intensity) until well combined. Stir in coffee and vinegar.

4. In a separate mixing bowl, put 1/4 of the dry ingredients and gradually add wet ingredients, alternating with the dry & wet ingredients until combined.

5. Equally divide batter between two prepared pans. Place cake on middle rack and bake for about 40 mins or until toothpicks come out clean. **Do not overbake.**

6. Remove cake from oven and transfer to cooling rack still in the pan. Allow 10 mins to cool and run a knife around the edges to loosen the cake. Peel off baking paper and let it cool completely.

**Chocolate Ganache:**

1. In a medium saucepan, heat the double cream just before it comes to boil. Remove from heat, add chocolate and stir until smooth.

2. Place ganache in fridge to cool and thicken or just until it becomes spreadable.

3. Flip cake layers upside down and spread half of the ganache on each layer. Place in fridge to set.

**Cream Cheese Frosting:**

1. Whip the whipping cream until thick and add in cream cheese and icing sugar. Whisk until combined.

2. Place one cake layer on a plate and frost with 1/2 cup frosting. Place second layer on top and frost with another 1/2 cup. Use rest of frosting for entire cake.

### INGREDIENTS

**Red Velvet Cake:**

- 1 cup vegetable oil
- 2 eggs
- 1 cup buttermilk
- 2 tsp vanilla extract
- Red Food colouring
- 1 tsp white vinegar
- 1/2 cup prepared plain hot coffee

**Chocolate Ganache:**

- 1/2 cup double cream
- 50 gms choc chips

**Cream Cheese Frosting:**

- 300 ml whipping cream
- 330 gm cream cheese
- 1 cup icing sugar
SECURITY ALERT

Message from your local police

Sergeant Trimble from South Metro Community Engagement Unit is requesting the assistance of the Community over the next few weeks.

“With the school holidays upon us again next week we often see schools being targeted so we are asking residents who live near schools to be our eyes and ears by keeping lookout for anyone entering school grounds. If you see anything suspicious or hear noises such as banging or glass breaking anytime of the day or night from the direction of a school please give us a call so we can send a patrol vehicle to attend.”

“We also see some young people getting themselves into trouble by keeping bad company during these times resulting in them coming to the attention of police. If you are a parent of a young person speak to them about the consequences of the choices they make and also the company they keep. Giving them boundaries with regards to where and what times they go out can also assist young people from getting into situations that may affect their future.”

“Everyone has a role to play when it comes to protecting and keeping our community safe, with your help we can make the places we all live safer.”

If you see any suspicious activity in your area especially in and round your school please call 131 444 or any information about persons committing these offences can be reported.
